The California Paraoptometric Section is a professional organization of optometric assistants, technicians, opticians and staff members who affiliate as a section of the California Optometric Association. The purpose of CPS is to promote the paraoptometric profession throughout the state by providing education, communication, fellowship, and community service.

**Office Plan Membership**

This is a special benefit available to staff of COA Member Optometrists only. A flat annual dues pricing allows doctors to sign up more staff:

- Enroll up to 5 staff members in CPS: $75 per year
- Enroll up to 10 staff members in CPS: $150 per year
- For more than 10 staff, add $30 per person

**Individual CPS Membership**

Paraoptometrics may join CPS as an individual member, or this may be an option for offices who have less than three staff to sign up:

- $30 annual dues per person

**Features of Membership**

- Membership certificate and pin
- CPS Resource Library
- Study-at-Home continuing education credits for ABO/AAO certification renewal
- California Optometry magazine subscription via e-mail
- CPS Web Site www.cpsection.org

Give your staff the opportunity of contributing to the success of your practice. Offer them the opportunity of membership in a section of the California Optometric Association created just for them...the CALIFORNIA PARAOPTOMETRIC SECTION.

**Why should doctors support their staff with a CPS membership?**

- Paraoptometrics support the framework of your practice. Supporting their efforts to expand their knowledge and professionalism will also increase the value of your practice to your patients.
- Giving your staff the opportunity to commit to a paraoptometric career also creates staff retention and ultimately increases patient satisfaction.
- Enhance the future of your staff and support their professional development in paraoptometry as their career choice.
