## CPS WELCOMES NEW BOARD MEMBERS

CPS Update

### Brandi Davis

Brandi began her paraoptometric career in April 2006 as a front desk receptionist at the Southern California College of Optometry (SCCO). She was promoted to the front office lead in March 2007, and currently works as the front office supervisor. Brandi gained most of her work experience through on-the-job training and through on-site trainings during Clinic Development Days. Brandi's favorite part of her job are the patients she has contact with on a daily basis. Brandi decided to become a CPS Board Member because she thought it would be a great opportunity to share her knowledge and experience with others while also gaining more knowledge in the field. Brandi is certified in CPR and First Aid, and also volunteers at the Special Olympics in Long Beach each year at the booth for vision screenings.

### Nannette Magnani

Nannette has been working in the optometric field for almost six years now and loves it! Currently, she works at the front desk for Dr. Karen Griffith of the Redwood Empire Optometric Society. In addition to her front desk role, Nannette also performs some dispensing and pretest duties. The optometric field has taught her to be detailed and task-oriented, for which she is very grateful. She decided to volunteer as a CPS Board Member because she is always up for a challenge and loves learning new things for her own personal growth. Nannette resides in Sonoma County with her husband of 30 years and loves spending time with her family and friends. She enjoys cooking, working out, traveling, photography and enjoying life.
